DISPOSABLE HDPE APRON

PPE

CODE 21 | 60 - 200

• CAT. I PPE

Fully waterproof high-density polyethylene apron. It ties in the back and wraps tightly around the operator's torso, protecting him/her from any splashes and ensuring that clothes underneath are hygienically protected. The apron has wide and comfortable straps that do not roll up and do not break; it is available in BLUE.

It measures 80x125 cm.
