

WIPES

NON-WOVEN WIPES FOR PATIENT CARE

PPE

CODE NM-PTNT

• CAT. I PPE

The wipes are made of a special 40 g/m² smooth, non-woven, extremely soft fabric, with maximum tear resistance, and excellent dirt and water absorption properties.

Very gentle on contact with the skin, particularly suitable for sensitive skin.

ONE SIZE FITS ALL / COLOR WHITE / CARTON OF 1200 BAGS
