

FACE SHIELD

FULL FACE PROTECTIVE
POLYCARBONATE FACE SHIELD WITH
ADJUSTABLE ELASTIC BAND

PPE

CODE NM-AP2004

• CAT. I PPE

Protective polycarbonate face shield with adjustable elastic band. It can also be worn together with other personal protective equipment, as well as with contact lenses/eyeglasses.

It guarantees a wide field of vision and can be safely cleaned with disinfectants.

The fastening system (integrated into the shield) guarantees protection of the forehead/head against substances or liquids.

ONE SIZE FITS ALL / COLOR CLEAR / BOX OF 400 PCS.
